CONTENTS

- 251 Is Putinism the Russian Norm or an Aberration?** *Michael McFaul*
Nothing in Russian history or culture preordained the descent into autocracy under Putin, nor is there any reason to dismiss the possibility of a democratic future.
- 258 Stalled Social Mobility in Post-Soviet Russia.** *Theodore P. Gerber*
The emergence of a vibrant middle class has been blocked by pervasive cronyism and a lack of merit-based opportunity. *Second in a series on social mobility around the world.*
- 264 Ukraine's Emerging Security State** *Serhiy Kudelia*
Four years after the Euromaidan Revolution, the oligarchs are firmly back in control, squelching reforms and resorting to repression to stifle civil society.
- 271 Armenia's Unfinished Revolution.** *Armine Ishkanian*
A popular uprising that brought a charismatic opposition leader to power this spring was driven by a tech-savvy younger generation tired of stale, corrupt rulers.
- 277 Uzbekistan Emerges from Karimov's Shadow.** *Russell Zanca*
The death of a long-entrenched dictator two years ago paved the way for a surprisingly liberal turn by the new president in one of Central Asia's most repressive states.
- PERSPECTIVE**
- 283 China's Old and New Central Asian Ties** *Diana Ibañez-Tirado and Magnus Marsden*
Beijing's ambitious Belt and Road Initiative is modernizing ancient patterns of commerce across the region, but small-scale traders may be left behind.
- BOOKS**
- 285 The Kremlin and the Thieves' World.** *Nancy Ries*
A definitive history of organized crime in Russia shows how political leaders have long used gangsters to serve the state's purposes.
- THE MONTH IN REVIEW**
- 288 August 2018**
An international chronology of events in August, country by country, day by day.
