

(Continued from Back Cover)

THIS IS AN ESPECIALLY good time for you to join the thousands of wide-awake FORUM readers.

You will receive a FREE copy of William Harlan Hale's stirring book, "*The March of Freedom*," and you will share in the entertaining features brought to you *exclusively* in the new FORUM magazine.

What You Will Gain from Your Issues of FORUM—The Magazine of Opinion

For over half a century FORUM has been a respected magazine of opinion. Since 1886 it has reflected the controversial issues of the passing years—from women's rights to the Palestine struggle. Now its new, larger-size format makes it more readable and attractive than ever before.

This offer brings you 14 months of good reading on every phase of our current thought. Every month you'll enjoy such unique features as:

- FORUM DEBATE—the pros and cons of timely issues, such as, "*Should Palestine be Partitioned?*"
- PRESSURE GROUPS—important analyses of lobbies and the special interest press.
- CONTROVERSIAL ARTICLES—by leading university experts and other specialists, giving competent, unbiased discussion to major issues.
- CONGRESS DEBATES—stimulating selections from the Congressional Record, mirroring the legislative personalities and new problems.
- THEATRE ARTS—conducted by noted John Gassner of the Theatre Guild; • ORIGINAL POETRY—by top poets like Robt. P. Tristram Coffin, and others.
- BOOKS IN BRIEF—all these extra features combine to make each month's FORUM the most entertaining and informative reading you can find.

Mail the Coupon Now for This Timely Free Offer

If you cut out and mail this card today, you'll have 14 months of the best reading in the new FORUM. And you also receive without any extra cost your copy of "*The March of Freedom*." No stamp or envelope is needed—just fill in the other side of the card and put it in the mail today.

(This offer is good only on orders sent direct to the publisher.)

FORUM

A Valued Magazine of Opinion Since 1886

BECAUSE OF ITS SPECIAL IMPORTANCE, the Editors of FORUM have obtained for you William Harlan Hale's stirring new book, "*The March of Freedom*."

You'll find this a different kind of history—one that captures for you in a single volume all the daring and fullness of our country's growth and heritage. Its brilliant analysis of the recurring patterns in American life will bring you a deepened understanding of the direction of American growth.

For here is the story of our country told in terms of major trends and such basic ingredients of our national life as the Puritan tradition, the frontier, the growth of the Constitution, the rise of the corporation, the perennial clash between reaction and reform. It is a picture that makes our history intensely real and living—that will make "*The March of Freedom*" a necessary part of your own library of most important books.

Reviewers Hail "The March of Freedom" As a New Kind of History

☆ ". . . intensely enjoyable and rewarding."
SATURDAY REVIEW OF LITERATURE

☆ "It is written almost like a novel without being fiction, and it moves like a drama without acts. There is a lot of history that seldom strikes historians."
ST. LOUIS DISPATCH

☆ "It would be much easier to read history if all history books were written in a manner as interesting."
