Last year over \$7,000,000 worth of free books (guaranteed at retail value) were given to the Club's members — given, not sold! These book-dividends could be distributed free because so many subscribers ordinarily want the book-of-the-month that an enormous edition can be printed at a saving on this quantity-production enables the Club to buy the right to print other fine library classics. These are then manufactured and distributed free among subscribers — one for every 100 books-of-the-month purchased.

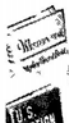

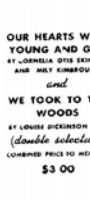

Your obligation is simple. You pay no yearly fee. You merely agree to buy no fewer than four

books-of-the-month in any twelve-month period. Your subscription is not for one year, but as long as you decide, you can end it at any time after taking four books-of-the-month. You pay for the books as you get them — the regular retail price (frequently less) plus a small charge to cover postage and other mailing expenses. *Prices slightly higher in Canada.*

Begin your subscription to the Book-of-the-Month Club with one of its selections pictured below. Surely, among them is one you have promised yourself to get and read. As a new member the Club will send you a free copy of CURRIER & IVES by Harry T. Peters, shown on the other side of this page.

In these prints is our social history of 1837 to 1885 in color, lithographs, which are now collectors' items.

These prints were taken from what is perhaps the definitive collection of Currier and Ives. There are many full-page, four-color reproductions. The page size is 9 by 12 inches, which makes these prints suitable for framing if desired.
