

Explorations in Ethnic Studies is an interdisciplinary journal devoted to the study of ethnicity, ethnic groups, intergroup relations, and the cultural life of ethnic minorities. The editorial staff welcomes manuscripts that are in concert with the objectives and goals of the National Association of Interdisciplinary Ethnic Studies. Contributors should demonstrate the integration of theory and practice.

Manuscripts must be typewritten, double-spaced, and are not to exceed fifteen pages (including notes). Send four copies with the author's name appearing only on a separate title page. Consult *A Manual of Style* (University of Chicago Press) for proper manuscript form.

Because all submissions are refereed by two or more persons, it takes at least two months for the readers' reports. Manuscripts received without a self-addressed, stamped envelope will not be returned.
