Latin American and Latinx Visual Culture is a quarterly peer-reviewed journal dedicated to publishing the most current international research on the visual cultures of Mexico, Central America, South America, and the Caribbean, as well as that created in diaspora. A defining focus of the journal is its concentration of current scholarship on both Latin American and Latinx visual cultures in a single publication. The journal aims to approach ancient, colonial, modern, and contemporary Latin American and Latinx visual cultures from a range of interdisciplinary methodologies and perspectives.
